intecrowd™

People Analytics QuickStart

Unlock actionable workforce insights swiftly with the People Analytics QuickStart.

Our Solution

If you are looking for an affordable, quick way to improve your business analytics, without building custom reports, our People Analytics QuickStart is the right solution for you.

QuickStart Offering Deployed in as soon as 4 weeks

· Access to insights for over 120 Workforce KPIs

· Alignment and discovery session

· Configuration and education session on security domain setup and People Analytics mapping

· Two data validation reports to assist with the storyboard configuration

· Guidance and support to help your team configure and install People Analytics

Questions People Analytics can Answer

⊘ How can we focus to improve performance?

⊘ Where are we losing high performers?

⊘ How can we improve retention?

⊘ What are key hiring trends?
