# Performance QuickStart

**Streamline your operations by automating manual processes for performance evaluations.**

## We can help

Ensure a more efficient and structured approach to delivering regular feedback to your employees regarding their goals with our Performance QuickStart. This solution offers a phased implementation approach, seamlessly aligning with your business cycle for optimal integration and effectiveness. We include templated end-user job aids, pre-built test scenarios, and knowledge transfer and back-office user guides.

## Phase 1

**Eliminate extra effort by consolidating performance goals and ratings into your core HR system of record**

· Performance review template and rating scale

· Goal setting template

· Workday suite delivered reports and dashboards

## Phase 2

**Drive goal achievement and organizational performance**

· Employee self-review template

· Goal review for employee and manager comments

· Goal ratings, overall ratings and comments

## Phase 3

**Align performance to organizational outcomes**

· Organizational calibration of Performance

· Roadmap for future feature adoption
