

Software Vendor Integration Program

Intecrowd's Software Vendor Integration Program will give you the tools you need to open new opportunities to Workday customers.

We can help

Gain access to Workday tenants and tap into the expertise of experienced integration consultants who possess in-depth knowledge of Workday APIs and integration tools.

This program includes:

Packaged/API Based Integration

- Intecrowd assists software vendors with understanding Workday APIs
- Vendors gain access to Intecrowd's Workday environment to test integrations
- Intecrowd assists vendor with maintenance or Workday questions

Intecrowd-Built Integration Support

- Intecrowd builds Integrations using Workday tools
- Integration supports installation for vendor customers
- Intecrowd provides maintenance and support for vendor customers

*Disclaimer: Partnering with Intecrowd for a Workday integration does not qualify your company as a Workday Software Partner
