- ⊘ Roadmap for future feature adoption

About Intecrowd

Intecrowd is a boutique Workday Services Partner trusted by customers to deploy and support Workday. We strive to be the most helpful and responsive partner in the Workday ecosystem by offering Application Management Services (AMS), Integrations, Phase X Deployment, Workday Extend solutions, and client-side project support. Intecrowd's services focus on enabling Workday customers to maximize the value of their Workday solution. Our team members hold over 950 Workday certifications, have an average of 5 years of Workday experience and we support over 140 AMS customers. Our goal is to provide Workday customers with high touch, cost effective and flexible solutions.
